BEIJING, Beijing July 14 (Xinhua New Moon) "I love football in Argentina. For a superb football team does not get better results, and he was sorry."

Chinese Premier Wen Jiabao(vibram five fingers) at the 14th meeting in Zhongnanhai state visit to China Argentine President Cristina. Meeting the two leaders started in a relaxed atmosphere.

Wen said China and Algeria are far apart geographically, but the two countries for the two people familiar with and love, we are friends. "China has an old saying, friends have no distance, thousands of miles each other neighbors."

Wen Jiabao said with a smile, "I love football in Argentina, for a superb football team does not get better results, and he was sorry."

Christina(five fingers shoes) thanked Premier Wen met with her busy schedule, and select such a beautiful place with a strong Chinese characteristics. Ziguangge more than 300 years of history, and Argentina for 60 days over 200 years ago. China has a long history of civilization for thousands of years. As Premier Wen put it, although between the two countries far apart, but it does not prevent us from becoming real good friends.
